

2011 Cyber Quests Prizes and Awards, April 2011

Qualifier for 2011 Cyber Camps

The April 2011 Cyber Quests competition serves as the qualifier for students to be invited to attend one of several Cyber Camps being offered across the country this summer. See the Cyber Quests and Cyber Camps Fact Sheet for more information.

Top Winners Can Travel to D.C. to Compete in NetWars

Want to take your skills to the next level? The top-scoring student from a U.S. college or university and the top-scoring student from a U.S. community college will get their travel expenses paid to attend SANSFIRE in Washington, D.C. in July to compete in NetWars.

Calling all Minnesota College Students!

Advance IT Minnesota, in conjunction with business partners of the newly formed Minnesota Cyber Security Careers Consortium, are offering two additional incentives for the top performing Minnesota college students.

Eligibility: Students enrolled in any IT-related degree program at any accredited higher education institution in Minnesota are eligible.

Awards: In addition to recognition and awards that may be granted by US Cyber Challenge, the following awards will be granted by the Consortium to Minnesota students:

1. Top ten competitors will be invited to attend the Secure360 Conference (www.secure360.org) as guests of the Consortium and be recognized at the keynote presentation on May 11, 2011.
2. Top five to ten finishers will share a \$5000 scholarship fund. Scholarship will be toward tuition fee at any of the 32 Minnesota State College and Universities (MnSCU) institutions to be used prior to a specified deadline. Actual amount will depend on the number of competitors and scoring distribution but will be a minimum of \$500.
